NATIONAL
SEMINAR/WEBINAR
“Implementation of National
Education Policy 2020: Challenges
and Opportunities”

on

MARCH 10, 2023

Organised by:
IQAC

GOVT. COLLEGE JUKHALA
DISTT. BILASPUR

HIMACHAL PRADESH

Pin - 174033

A new National Education Policy was adopted by the Indian government recently because of the main loopholes which were present in the previous education policy. This policy will provide a lot of individual attention to the students who have special needs and also education will be provided at all levels through the NEP-2020. This policy aims at reducing curriculum load of students and allowing them to be more 'inter-disciplinary' and multi-lingual'. It proposes 4-year multi-disciplinary bachelor's degree in an undergraduate program with multiple exit options.

The main theme of seminar is "Implementation of National Education Policy-2020: Challenges and Opportunities".

Papers are invited on any of the following sub themes:

1) National Education Policy 2020 and its comparison with earlier education policies adopted in India.

(2) Identifying innovations in the new national higher education policy 2020.

(3) Impacts of NEP 2020 on India's higher education system.

(4) Relevance of the NEP 2020 Higher Education Policies.

(5) Recommendations to effectively use NEP 2020 to achieve its goal.

(6) Academic Bank of Credits and its relevance.

(7) Value added courses relevant to subject.

(8) Scope of vocational training in

academic institution.

(9) New Education Policy-2020 and community involvement.

(10) Infrastructure facilities existing in colleges of Himachal Pradesh to implement NEP-2020.

Original research paper(s), case studies supported by recent data covering one or more of the themes are invited for presentation in the seminar. Abstract, not exceeding 300 words, in Times New Roman font size 12, A4 size single spaced, with full title must include name of author(s), proposed themes mailing address, phone and e-mail may be submitted to the convener of the seminar through e-mail :

naacjukhala@gmail.com

Submission of abstract : 08 March 2023

Acceptance of abstract : 08 March 2023

Submission of full paper : 09 March 2023

Registration Fee : Nil

Research Development Committee:

1. Mr. Rajesh Kumar (Associate Prof.)
2. Dr. J.S. Saini (Associate Prof.)
3. Dr. Kashmir Singh (Associate Prof.)
4. Ms. Sonia Rathore (Asth. Prof.)
5. Mr. Rajender Singh (Asth. Prof.)

About The College:

Commitment to grow and Integrity for a sustainable future are the core values of Government College, Jukhala. To follow these values in action and spirit, Government College, Jukhala came into existence in 2007 and since then it has been marking its way in the academic productivity. It is situated at the base of the *Bandala* Range, with the river

Pushpbadra flowing close by. The college is a ten minute walk through the fertile fields, from the famous *Rishi Markandeya* temple which is known for the holy water spring having medicinal qualities. It is half an hour drive from the district head-quarter of Bilaspur town.

The college was bestowed with one of the most modern and well equipped building in 2012. It has started from scratch and is making its presence felt slowly providing education to the students around the Danwin Valley. The valley is known for cultivation of maize, rice, wheat and ginger crops.

The campus of the college is spread on a vast stretch of land, consisting of sprawling lawns and serene environment.

The institution is affiliated to the H.P. university vide notification 1/347/2007-HPU (Acad), the college, at present offers various U.G. courses in the faculties of Science, Arts and Commerce with an inter-disciplinary approach under the CBCS (RUSA).
