साराहन प्रबुलिक स्कुल, धरमशला

Sarahan Public School

Affiliated to H.P. Board, Dharamshala

Estd. 1994

From the Chairman's Desk

I would like to Congratulate the Principal, Mrs. Kunjam Bisht, who has worked tirelessly in making this school one of the best school in the region. One of the aspects that the Educational Psychology mentions is the physical environment of the school which is excellent, safe, spotlessly clean, with well-planned beautiful gardens. Comfortable surroundings make to a positive school climate in which students can learn. This is also essential for staff and students overall health and well-being. The school has rapidly developed in every sphere under her dynamic leadership.

It gives me immense pleasure to convey my deep appreciation to the staff, who have been untiringly performing their duties and fulfilling their responsibilities with a sense of commitment to mould the life of every child under their care.

I would like to express my gratitude to God and I pray that God continues to shower his choicest blessings on the school as well as its management, the entire staff, students and parents who have taken the school to new heights with their hard work, dedication and commitment.

Bal Bahadur Singh Bisht
Founder/Chairman

From the Principal's Desk

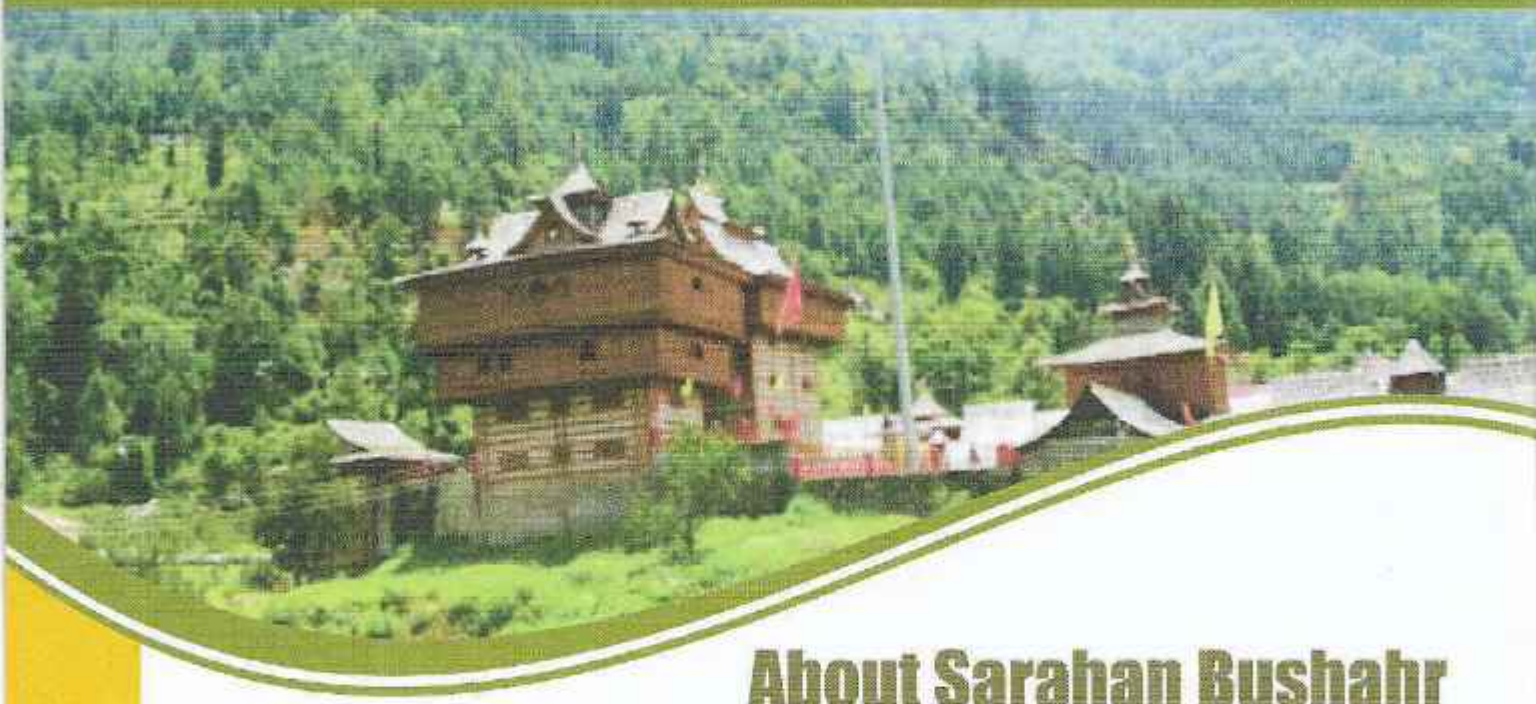

Welcome to Sarahan Public School. In the following pages, I trust that you will acquire a strong sense of our school's unique mission. Through words and images, you will take a glimpse of our community, in action, our friendly welcoming campus and our outstanding facilities. You will discover that our purpose is rooted in our cultural, moralistic identity and that we offer a challenging academic program in a nurturing environment. These pages provide an overview of the many exciting opportunities that "school" offers in academics, arts, sports, and other co-curricular and extra curricular activities. Perhaps most important, you will feel that warmth of the family atmosphere which exuberates from our committed faculty and talented students who embrace our vision. After you have pursued the glimpse of 'Sarahan Public School' you will experience our inviting and welcoming environment, a place that fosters the building of character through a clear set of values.

Sarahan Public School was a small initiative to know ourselves, our potential, our culture & our roots. The vision was to benefit the students of the hills for whom getting education was never an easy task. It was important to understand the socio-economic challenges, the ever increasing aspirations and expectations of the guardians and at the same time providing education within affordable limits. I hope that this small initiative will transform and benefit the generations to come.

The School community, a boarding and day school, strives through its dedicated and experienced faculty to accept, to challenge, and to inspire all the wonderfully diverse students entrusted to us.

Yours Sincerely
Kunzam Bisht
Founder/Principal

About Sarahan Bushahr

A few kilometres from Shimla, is a beautiful place, where the famous BHIMA KALI TEMPLE is situated. Sports authority of India's High Altitude training center is also located here. In front, you can see the mountain range and behind the beautiful forest range lies the Shrikhand peak. The magnificent palace which belongs to Raja Virbhadra Singh is also situated here.

Mr. and Mrs. Bisht are residents of Rangori, which is a peaceful village few kilometres from Sarahan surrounded by apple orchards. Mrs. Bisht hails from Kinnaur district, which is on the high up terrain of the Mighty Himalayas.

This visionary couple had a shared dream of serving the rural people who could not afford to send their children to cities for their education. An apert way to do this was to start a school for all sections of people living in these remote mountain regions. So, they chose a hut at the edge of Sarahan where Mrs. Kunzam Bisht started teaching three children single handedly on March, 1994. Now the school has been shifted to its present location, just below the Nalati Stadium, not very far away from the main bazaar. The school now has more than 300 students about 160 of them staying in the hostel.

SCHOOL INSIDE

Sarahan Public School is a modern co-educational boarding cum day high school founded in the year 1994. Education away from home has been a tradition in Indian society. We have a rich history of prominent educational institutions, imparting value based education in such tradition.

The hallmark of the school's education is the school's willingness to accept the students as they are, support them when necessary, stretch them when appropriate and inspire them to become Inspirational individuals. Sarahan Public School is dedicated in providing its students some of the happiest and most secure years of their lives, help them to grow into caring, responsible & productive adults.

School provides unique features such as flexibility in curriculum, a fine focus on learning to think for oneself, unparalleled Sports, recreational facilities, big playgrounds, carefully selected house parents and councillors who provide social and cultural support. The school's program is designed to inculcate global thinking and at the same time strengthening cultural roots. Personality development with strong stress on academic performance takes an individual to the pinnacles of success.

HOW TO PREPARE A CHILD FOR HOSTEL

- ❖ To prepare a child to live in the hostel, parents themselves should be convinced that their decision is right. If they are feeling guilty about sending the child away, all their arguments to persuade their offspring will sound hollow to the child.
- ❖ The child should be consulted before a decision is made to send them to the hostel. Give the child sufficient time to understand why they are going to a hostel.
- ❖ The child should be made to realize that the move is for their and not the parent's benefit.
- ❖ The move to send the child to a hostel must not be interpreted by them as punishment, otherwise they will begin to hate and dread the hostel even before joining it.
- ❖ Give examples to the child about positive learning experience, all that a child can gain from the hostel environment. Tell them that you want them to learn more besides studies.
- ❖ Any family friend or a relative to whom the child is close to can also be roped in to talk to the child and dispel their fears. They must be made to realize that the lonely moments will

pass away and that they will come back to his parents, who love them dearly.

- ❖ If the child has any problem don't hesitate to bring to the notice of the school authorities.
- ❖ Parents should not panic on hearing from the school, regarding the illness of their child but make it convenient to reach the school or hospital immediately.

The school also provides boarding facility for 200 students. The dormitories are well furnished with modern sanitary fittings and 24 hour running hot and cold water facility. The warden, matrons along with the teaching staff reside in the hostel building to keep an overall eye.

The students are provided well balanced diet four times a day. The warden and teachers take their meals with the students in the mess. The hostel also provides a common room where the boarders can enjoy in their leisure time.

School has well equipped dormitories for the comfort of the students. As most of the quality time is spent in the company of friends and classmates in the dormitories. It always has never ending imprints on the child's brain. To keep memories alive all the dorms where these little 'flowers' reside, are named after the family of flowers.

- ❖ The parents are allowed to meet their wards only on second Saturday and last Sunday of every month and followed by night outs.
- ❖ Duration of visit should not strictly exceed 3 hours.
- ❖ Visiting hours begin strictly after 10 A.M to 5 P.M on Sundays.
- ❖ Parents and guardians are expected to meet their wards by prior permissions of their wardens and not directly in the dormitories.
- ❖ Students are not allowed to keep cash with them. Students are given pocket money every fortnight or when required. Borrowing or lending money and other personal belongings from each others is strictly prohibited.
- ❖ Students must not be given Walkman, I-Pods, Transistors, Mobiles, Electric Shaves, Cameras or other expensive articles to be brought to the hostel. In case of misplacement the school bears no responsibility.
- ❖ For ordinary ailments parents are not informed. If the student is admitted to the hospital a communication is sent to the parent.
- ❖ Ragging in any form is strictly prohibited.
- ❖ In case of damage to the School property and the loss of library books, the recovery will be made from the parent of the student concerned.
- ❖ Leave Holidays will be permitted on valid reasons with a weeks' notice.
- ❖ On completion of vacation, students are expected to reach school on time as per schedule. Fine of Rs. 100/- per day will be levied.
- ❖ Hostel roll number once allotted shall remain for all sessions.
- ❖ One blanket, one quilt, one pillow, two bed sheets, 2 pillow covers, two towels shall be provided by the school for which students are charged once in three years.
- ❖ School uniform, books and stationary shall be available at "needs & more" near school campus.
- ❖ Any damage to school property shall be directly borne by the child's parent.
- ❖ Meeting schedule will be provided to parents on the 1st day of school.
- ❖ In case of ignorance on the part of parents regarding hostel rules, outing rules, leave rules and mess rules, the school will not be responsible.
- ❖ If the students are caught drinking /smoking, they will be expelled by the school and will be fined with rupees 2000/-.

Mess/Food

School has a mess where 200 students can have food in one batch in most hygienic and healthy conditions. Teachers and all other staff also accompany students during every meal to keep the overall eye on nutrition and quality. School had deputed wardens, and mess in-charge as accountable persons. Proper nutrition, tasty food in adequate quantity is our top priority. Under the consultant supervision of the mess in-charge a healthy menu is decided in consultation with the staff and children.

The Kindergarten Program at Sarahan Public School ensures that structured and progressive learning in English, Mathematics and Art is continuous, varied and substantial. Sports, Health and Well Being, Life Skills, Value etc. have also been integrated into the curriculum. Special focus is on imparting value so that our children realize the importance of friends, family community and society. We Believe in creating scientists, scholars, intellectuals, engineers, researchers, and creative minds for the future. We encourage children to explore their environment and optimize their learning using multiple skills which include speaking, singing, movement, drawing, painting, writing, building, designing, dramatics and music. Smart class facilities are also available for kinder garden classes.

STAFF

Administration keep no stone unturned to ensure the credibility and qualification of its chosen faculty. Applications are invited from across the country. Teachers are finalized after due consideration of their qualification, their various attributes, and their willingness to work.

Maximum teachers reside within school campus which enables their 100% involvement in students' growth. Students can take regular guidance and help as per requirement at any time.

ADDITION OF THE YEAR:

As per the HP board, every last Saturday of the month will be a no bag day. All the events and competition will be held on this day.

Since the school is situated at a high altitude and in snow zone, it is closed in winters. The Academic session begins on 15th of February and ends on the 31st of December.

SYLLABUS

Sarahan Public School is an English medium school, although based on H.P. BOARD. Special emphasis is given to improve the spoken English skills of the students. School provides latest computer labs and trained staff to expose and introduce the students to the latest Technological developments and education.

- In its pursuit of excellence and for complete development of the pupils personality, the school society seeks the service of professionals to promote specialized knowledge, moral integrity and dedication of high professional competence.
- The medium of Instructions is English. Hindi is also taught as compulsory subject.
- Main subjects taught are : Eng., Math, Hindi, Sci, S.St., IT, GK, and Moral Edu.

EXAMINATION

Complete syllabus is divided into 4 equal parts i.e. FA1, FA2, FA3, FA4 for Classes 1st to 8th followed by summative assessment tests (SA1 & SA2). All the tests and evaluation consists of regular grades secured in various assignments & projects related to subjects. After every assessment report card is sent to parents but the final progress report will be issued after the completion of SA-2 usually in the month of December. For Classes 9th to 12th there will be Annual Examinations.

AFFILIATION

School is affiliated to office of Deputy Director, Elementary Education, Shimla -171004 under affiliation No. HPB-38-2023-111814 from H.P. Board of School Education, Dharamshala (Kangra).

MEDICAL ROOM

The school houses a well equipped medical room. Skilled and experienced professionals are in 24 hr attendance to ensure that all emergencies are handled with utmost care and attention. Regular medical checkup and record is maintained to ensure a healthy environment.

24x7 conveyance facilities are available to deal emergency. In case of emergencies, parents/guardians are informed immediately to handle the situation in the best possible manner.

REGISTRATION AND ADMISSIONS

New admissions are strictly on the basis of an entrance test to be held i.e. From 15th February to 31st March. Number of seats are declared as per the vacancies decided by the Administration. Parents are expected to bring along the progress report of the child from the previous school attended, 4 passport size photos. School leaving certificates in originals are required during the admission formalities. Parents can send enquiries through our website too.

- ❖ Admission is open to all boys and girls irrespective of caste, creed or social status who are mentally and physical by fit having attained the age of 4 years.
- ❖ Application forms for registration / admission to all classes are available at school office.
- ❖ New Admissions are strictly on the basis of entrance test.
- ❖ Number of seats are declared as per the vacancies decided by the administration, which may vary from year to year .
- ❖ Students migrating from other schools must submit Transfer Certificate / School leaving Certificate and progress report from the previous school. In case of fresh admission, birth certificate from local authority is valid.

- ❖ Fee once paid is non refundable.

With the arrival of Edu comp. Smart class, students have now audio visual classes which have created the atmosphere of learning more interesting and more participatory. Teachers have been helped greatly in their lesson planning and teaching methods. It is the policy of the school that all the students are trained to become good speakers, leaders. With these in view they are given the chance to speak, during assembly and declamation contest. Quiz competition, handwriting, Drawing Competition are organised every year.

INTER HOUSE ACTIVITIES

The school follows a House system from class Ist onwards. Different activities and competitions take place between the houses.

Four houses have been created so far,

1. Gandhi House
2. Tagore House
3. Subhash House
4. Bhagat Singh House

A sound mind resides in a sound body. Keeping this in mind SPS gives utmost importance to the physical development of the students along with their academic progress & co-curricular excellence. The Nalati Stadium is near by the school. Sports and other co-curricular activities are held there.

With an aim to promote healthy living, our school has participated in the "Fit India Movement" by organising various health-related activities.

Fitness needs to be a constant goal and merely running for a day or listening to speeches on good health will not help, that's why our school has started this movement and conducted various activities to promote good health and a better lifestyle.

ORDER OF THE PRINCIPAL

Admission to Class.....granted/not granted.

Seal of Principal

I.T. EDUCATION

School has self-sufficient well equipped I.T. Lab.

To understand the indispensable requirement of information technology in every sphere of life, special emphasis are given for compulsory computer education to each and every student. Through a series of work oriented lesson, young students are able to handle and operate the machines independently.

Edu-Comp Smart Class

With advancement of technology, teaching learning has been made easier. The school has introduced smart class education, which is very helpful to the teachers, and highly motivating to the students.

LIBRARY

The School houses a well-stocked library with a good collection of books at various levels. Encyclopedias and Encyclopedic dictionaries on various subjects are available in the library for reference only.

Security

School recruits trained security personals to ensure the safety and security of our students. They keep constant vigil on the activities of students and outsiders to avoid accidents and mishaps.

Phones/Correspondence

Phone rules only for Boarders : Parents will make calls to their Pupil only once in a week (4 times in a month). They can call on below mentioned School Ph. No. 6230174274, 6230674274. Phone Call Timings : Only on Sunday 9.00 AM to 6.00 PM

Parents/guardians cannot make phone call directly to their wards as per will. In case of information and emergencies they can call on warden's number i.e. Mr. Yograj Bhandari 9459086287, Mr. Ravinder Verma 9817338210

Hostel administration will not be responsible if your ward runs away from hostel without prior information to warden / Principal.
